We guarantee your privacy Ensuring the privacy of your visit to Zeta Energy Systems. This is important!

That is why we describe in our privacy policy what information we collect and why. We also tell you how we protect your data against misuse and what rights you have. We never make the data available to third parties for commercial purposes. The processing of the data is done in accordance with the requirements of the General Data Protection Regulation law.

2) **Cookies.**

1. Use of Cookies; Zetaenergysystems.nl uses various techniques to optimize its services.

Placing cookies = optional, if you don't want them then you don't have to.

It is useful for us to see which pages are often visited, the geographical distribution of visitors, the number of visitors and how they find us (through social media, directly or via a search engine).

This is a common way of working for websites because it provides information that contributes to the quality of the user experience. The information we register through cookies includes IP addresses.

The last digits of your IP address are masked. **So we cannot trace you personally!** We use this information to gain insight into our target group and will analyze it to tailor our services even better.

2. Disabling cookies If you find cookies annoying, you can also choose to disable cookies completely. You can do this in your browser settings.

3) **Is my data protected?** To give a short answer YES. Our servers are secured so we can offer you a secure connection to our website.

This is also regularly updated.

4) **Changes to the privacy policy.**

Zeta Energy Systems reserves the right to change the privacy policy at any time. However, you will always find the most recent version on this page.
